Our Mission

Rensselaer's Red & White Student Organization is a group of students who serve as ambassadors of Rensselaer, representing the Institute to its constituency - the alumni, the campus, and the community.

Our Programs

Members interact with alumni, community representatives, and students at university events. They lead influential alumni on campus tours, travel to regional alumni chapter events, attend

professional and communication skills training seminars, and participate in team-building member events. Every member is involved in at least one of our five committees: Traditions, Alum101, Campus Relations, Corporate Relations, and weR.

Our Committees

Traditions

Develops programs and events that educate students and the Rensselaer community about the unique history and traditions of Rensselaer.

Alum101

Prepares students for the transition from student to alumnus/a through workshops covering skills ranging from financial management to cooking, house hunting to salary negotiation.

Campus Relations

Promotes a strong relationship between Red & White and the Rensselaer community by hosting programs such as face painting at Rensselaer sporting events and Study Days.

Corporate Relations

Strengthens relationships between companies and the student body through on-campus networking programs, alumni dinners, and campus tours for corporate representatives.

weR

Builds spirit on campus through unique and spontaneous programs. Some events include weR BRIGHT, illuminating the trees on the '86 Field during the holiday season, and weR PROUD, a photo booth for students to show Rensselaer pride during GM week.

Our Members

Red & White members are dedicated and positive students who want to share their pride in their alma mater with everyone involved in the Rensselaer community. They devote their time, effort, and talent to advancing the organization's diverse programs, and developing new opportunities for future and current alumni.

Our Recruitment

The recruitment process occurs in the beginning of the fall and spring semesters. To apply for membership, please fill out the application, which may be found on our website.
